# WELCOME

Thank you for being part of South Carolina Association of Christian Schools. It is a privilege to serve with you as you seek to train students who will both excel academically and grow to spiritual maturity. The activities and programs made available through your membership are designed to assist you as you carry out your God-given mission. If you need information to access any program that SCACS offers, please call the association office for assistance.

Seventy-nine schools comprise our association; these schools are scattered in 32 of the 46 counties of the state. Our association office is located in Columbia. This location allows us convenient access to our membership; please let me know how we can serve your school.

Please visit our office when you are in the Columbia area. It is always a joy to share a few minutes with association members. I look forward to seeing many of you during the coming year.

If SCACS can better serve your ministry or if you would like to expand your participation in the association, I would love to hear from you. I would count it a privilege to serve you in any way. It is my prayer that God will richly bless your ministry as you serve Him during 2011.

# South Carolina Association of Christian Schools' Students Score Higher Than The National Average!

2009 - 2010 School Year

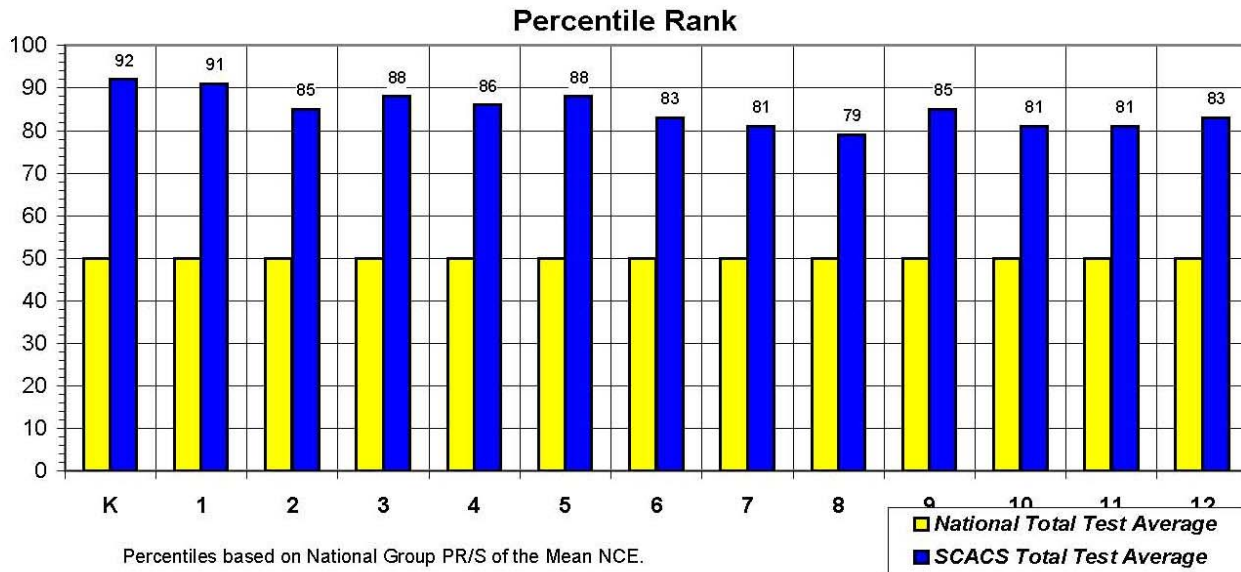

Annual achievement testing shows that SCACS State Association students score higher than the National Average at every grade level tested.

13.0+ means these scores are above the measurable capacity of the test.

Grade	Above National Average
K	6 Months
1	7 Months
2	8 Months
3	1 Year, 6 Months
4	1 Year, 7 Months
5	1 Year, 8 Months
6	2 Years, 3 Months

Grade	Above National Average
7	1 Year, 8 Months
8	2 Years, 2 Months
9	At Least 3 Years, 2 Months
10	1 Year, 7 Months
11	At Least 1 Year, 2 Months
12	At Least 2 Months

# C-Net

## Church Child Care Network

In 1995, SCACS started a subsidiary program to serve the growing community of church child care centers in South Carolina. The name of that program is **Church Child Care Network** or **C-Net**. As a member of SCACS, if you operate a child care service along with your school, you are automatically considered a **C-Net Affiliate**. There is no additional charge. However, we will send an information sheet to your center for you to complete and return. This helps us be specific when telling legislators or agencies how many children are in church centers that we represent. This is extremely important as we face legislative issues, revision of regulations, or certain initiatives involving child care in our state.

Here are some of the benefits to your child care program through **C-Net**:

1. Periodic child care updates and newsletter via email
2. Regional training seminars for Caregivers & Directors
3. Discounts on training for all **C-Net Affiliates**
4. Annual report to affiliates showing training hours accumulated by staff
5. Liaison with other professional child care organizations
6. On-site evaluation and consultation for your center
7. Phone network to inform centers quickly in case of a legislative alert
8. Monitoring of legislation on a state and national level
9. Certification for Caregivers & Directors
10. Accreditation for Church Centers
11. Open "hotline" for your questions about church child care
12. Cooperation with state agencies to inform affiliates of services and opportunities
13. Insurance programs, including health insurance and disability coverage
14. Acts as the unified voice for church child care in South Carolina

Please remember, state law mandates that all caregivers in child care centers must earn 15 hours of training per calendar year. Directors must earn 20 hours. **C-Net** provides several training opportunities during the year, offering Bible-based seminars especially tailored for church centers. Plan carefully so that your staff can receive all the hours they need each year from **C-Net** or **SCACS**. If you have questions about when these sessions are offered, please call us at 803-798-7558.
